Customized Decals

High-quality, white, 5"x7", vinyl window decals advertise your chorus or quartet on a "traveling billboard" -- your vehicle. People pause in parking lots and read your message, and notice you in traffic. Easy application; goes on the outside; long-wearing; removes easily with a razor blade.

Suggestions: "Divas Wanted" or "Sing With Us!" or "Love to Sing?" -- plus your Web site or a phone number -- (short messages are more effective)
